C. Remarks/Arguments:

Claims 1-26 and 28-30 have been non-narrowingly amended to remove multiple dependencies and to conform with standard U.S. practice. Claims 1, 15, 19, 20 and 23 have also been non-narrowingly amended to remove potentially objectional optional phrases such as “preferably . . .”; and “for example . . .”.

Claims 31-39 have been added. Support for these claims may be found in originally filed claims 1, 15, 19, 20 and 23, specifically in the deleted “preferably . . .” and “for example . . .” portions thereof.

This application is believed to be in condition for examination on the merits. Favorable action thereon is therefore respectfully solicited.

Should the Examiner have any questions or comments concerning the above, the Examiner is respectfully invited to contact the undersigned attorney at the telephone number given below.
